ENTRY FORM

PRECIOUS METAL BURSARY COMPETITION 2010

The Goldsmiths' Company 'Precious Metal Bursary' is a national competition for final year students at UK college and universities studying on a goldsmithing, jewellery, silverware or related products HND, Foundation or BA degree course. The competition prizes allow winners of the bursary to use silver, gold, palladium or platinum to make their final piece in precious metal.

Entrants to the competition are required to submit a design proposal and supporting material for their final project. This work should demonstrate design development, quality and consideration of design, professionalism of presentation and individual creativity.

To enter the competition applicants should complete the Entry Form and submit this together with design proposal sheets (see *Guidance Notes*).

Individual prizes include bursaries of up to £500 for precious metal, a personalised Award Certificate and an Award Winners display card for Degree Show use and for display if exhibiting at the 'Goldsmiths' Company Precious Metalwork Zone' at New Designers in July 2010.

Application deadline: 13th November 2009

6 – CONDITIONS OF ENTRY

Eligibility:

- The competition is open to UK residents* entering the final year of an under-graduate goldsmithing, jewellery, silverware or related products HND, Foundation or BA Hons degree course.
- Entries by MA students will not be considered, as the award is designed to assist under-graduate study only.
- The competition is at national level and therefore the application process should be considered to be competitive.

If you have any queries about your eligibility for the competition please contact the Technology and Training Department at the Goldsmiths' Company on: 020 7606 7010.

Assessment Criteria:

A panel of independent industry professionals will be appointed by the Goldsmiths' Company to judge the competition and entries.

The criteria which the judges will assess each entry on are:

- The quality of research and source material submitted
- Evidence and demonstration of design development
- Professionalism of presentation, particularly in three-dimensions
- Strength of visual communication skills
- The quality and consideration of the design proposal
- The demonstration of technical awareness and manufacturing processes
- The demonstration of awareness of design challenges
- Evidence of individual creativity
- Justification of how a bursary would benefit the recipient

Selection will take place in December 2009 with results made available in January 2010.

The judges' decision is final.

Final Work:

Finished piece/s are required to be hallmarked and exhibited at your degree show accompanied by a display card issued by the Goldsmiths' Company.

Non-Completion of Work:

The Bursary Award is for the production of under-graduate final degree projects in precious metal. Failure by an individual to complete a final piece will result in a requirement for the metal to be returned to the Goldsmiths' Company.

Receipt of Prizes:

Each bursary award will be dispatched by the Goldsmiths' Company as a Precious Metal Voucher, up to a maximum value of £500 redeemable at Cookson Precious Metals (London). Awards are not transferrable.

Upon completion of your work and to receive, in recognition of your award, a Precious Metal Bursary Certificate together with a Goldsmiths' Company display card, high quality digital images of your final piece are required.

These should conform to :

Hi res .tiff or .jpg format file at 300dpi at approximately A4 dimensions.

Each file name should contain:

Your name, title of piece, college/university and year.

i.e.: Joe Blogs, Flower Brooch, College Name, 2010.jpg

Images may be used by the Goldsmiths' Company for publicity purposes.

The photo credit will be taken from the file name.

Images should be received by 14th May 2010.

Any images received after this date will not be issued with a certificate.

These should be sent to the address provided overleaf on CD or emailed to:

training@thegoldsmiths.co.uk

With the subject heading 'Precious Metal Bursary'.

Exhibitions and Events:

The Goldsmiths' Company reserves the right to request the loan of the work from the award recipient for inclusion in future exhibitions and events.

* Residency criterion is defined as being UK based with no more than 30 days out of the UK in each of the last three years.

Please note: Production of a passport may be requested to support applications.

The Goldsmiths' Company reserves the right to withdraw the Precious Metal Bursary award at any time should circumstances beyond its control to affect its delivery.

Data Protection Act 1998: This information is requested in accordance with the terms of the Data Protection Act 1998 and will not be disclosed to any third parties unless specified by you. Your personal details will held by the Goldsmiths' Company for the purposes of notifying you of professional development opportunities, exhibitions and events.
